

Who says uniforms have to be dull? The TenCate Tecawork™ - KG 317 workwear fabric – long a popular choice due to its high quality, durability and industrial laundering capabilities – is available in a rich palette of new and trendy colours. These vibrant fabrics make it possible to truly differentiate the people on your workfloor. Made in Europe, the fabrics all comply with Okö-Tex standards, as well as EU REACH regulations. TenCate is also certified to ISO 9001 and 14001, and CSR Performance ladder (level 3) standards.
